

Breathtaking Birds

Museum of Natural History

Can you **find** these amazing birds around the Museum?
Start upstairs in the British bird displays.

Look at my sharp claws!

Red Kite

Tick here when you find me!

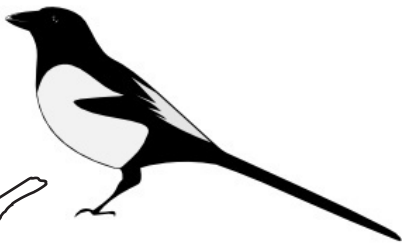

Barn Owl

What do you think I eat?

Magpie

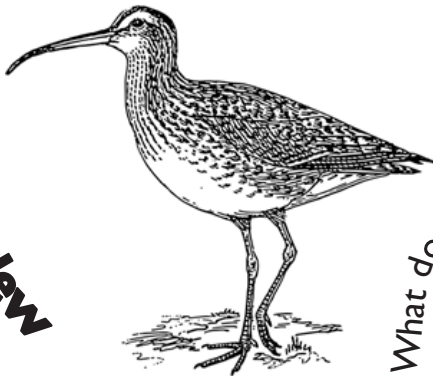

Swift

In the summer, swifts make their nests in the Museum tower!

Curlew

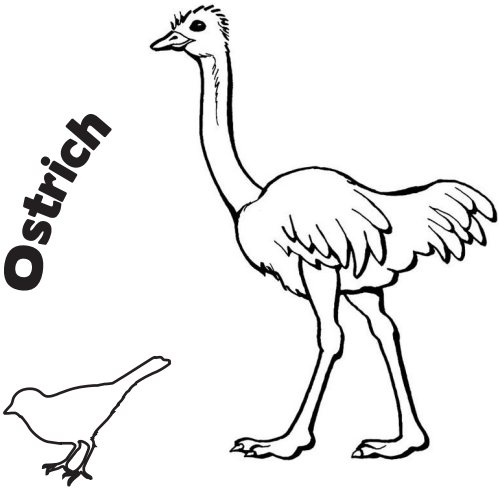

Look at my long thin beak.

What do you think I use it for?

Now go back downstairs to continue your search.

Ostrich

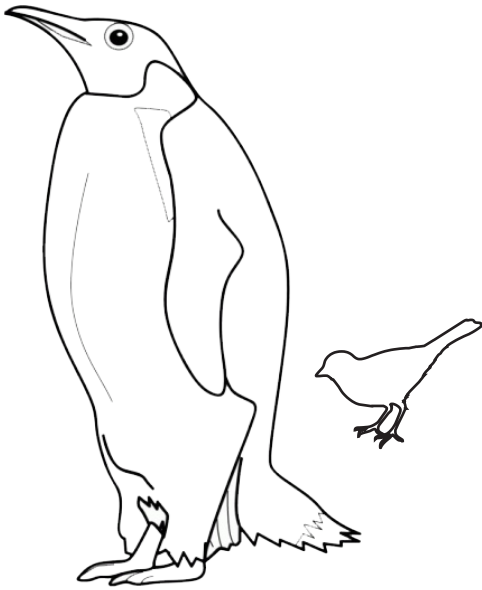

How many toes do I have? I'm the only bird with this number!

Puffin

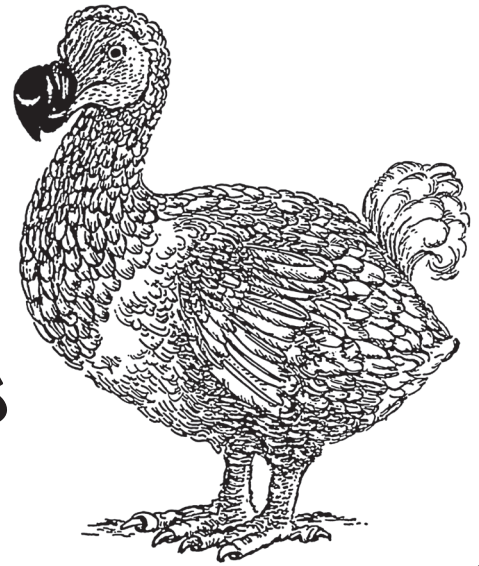

What colour is my beak?

Penguin

I'm facing away from the elephant skeletons!

Dodo

Our dodo is famous - it appears in Alice in Wonderland!
