We have some suspicious behaviour that needs investigating. There are dinosaurs lurking in the museum!

**Can you catch these dinosaurs red-handed?**

**Tyrannosaurus Rex**
I’m the king of the dinosaurs and I tower above you.

**Guanodon**
My big strong thumbs give me away.

**Bambiraptor**
I may be small but watch out for my claws!

Search for more evidence on the next page...
My name is a big clue - it means thick-headed lizard!

My mouth looks more like a duck’s than a dino’s!

No predators dare to take me on - just look at my horns!

My name is long but I’m only small. You’ll have to hunt a bit further to track me down!

**Edmontosaurus**

**Pachycephalosaurus**

**Triceratops**

**Compsognathus**

**Case solved, thanks Dinosaur Detective!**

**Did you notice..?**

= carnivore / meat eater

= herbivore / plant eater
